It is said that it is not news when people do what is expected of them in an everyday matter of fact way. We wish to report here then that a very large group of our pupils did this well and at the same time, showed considerable growth in every way.

Some of our fine pupils did more than is expected of them. We won team championships in 8th grade flag football and in senior basketball. We had a very large representation in Soap Box Derby. We had an excellent swimming team which came in for accolades even though they didn't win a championship. We again had a large group of pupils who continued to work for the school even though they had earned all possible awards. Our student council and representatives were outstanding.

With all the above ingredients for success, we have a dedicated teaching staff which is continually trying to make our school the best place possible for our business of educating the youth of America.

Sincerely,

Robert H. Speer

HOSTESS CLUB

The Hostess Club had a very successful year. They sold our very popular "Wipe Em Out Eddy" pins and served at all P.T.A. meetings. They also served at any other school function including the Sports Banquet and the Big Show. Leading the club this year were Davette Brown, Georgia Manzie, Rosemary Garcia, Valerie Winters and Vannessa Porter. The club is sponsored by Mr. Garcia.

BAND

Mr. Rovansek's band performed well throughout the entire year. The band is designed to increase sensitivity, beauty creativeness and interest of music. The band played in the Christmas Parade, the first semester honors assembly, P.T.A. Concert, and put on a very fine performance during the Big Show.
